## **Jobber Program Terms and Conditions**

### **Requirements:**

Cruizin Concepts Performance (CruizinConcepts.com) Level II Jobber Program (J/B2) requires a stock order of \$1500.00 of Cruizin Concepts Performance merchandise at the J/B2 price, (approx. 25% off retail for aerodynamics, and 35% off retail for the remaining merchandise). The J/B2 may also qualify for volume discounts of an additional 10% from retail. This discount can be applied when the J/B2 makes a single purchase of \$5000 or more at the J/B2 price.

The Cruizin Concepts Performance Level I Jobber Program (J/B1) exists for smaller businesses that cannot afford the initial buy-in cost of the Level II Jobber. This requires no stock, and purchases Cruizin Concepts Performance merchandise at the J/B1 price, (approx. 15% off retail for aerodynamics, and 30% off retail for the remaining merchandise).

Eligibility for the Cruizin Concepts Performance JB Program is at the sole discretion of Cruizin Concepts Performance and is subject to considerations other than those listed here, and may be terminated by Cruizin Concepts Performance at anytime without cause or notice.

### **Sales Terms:**

All new accounts are cash accounts, payable by check/money order or VISA/MC/Discover/Amex. All returned checks are subject to an additional \$30 service fee. Two or more returned checks within a year will automatically flag the account for administrative review. Credit accounts are available at the sole discretion of Cruizin Concepts Performance.

### **Pricing:**

Prices are subject to change without notice on all parts and services. It is the responsibility of the JB to confirm current pricing and availability before placing an order. Cruizin Concepts Performance reserves the right to alter standard pricing due to special circumstances.

### **Technical Assistance:**

The JB should maintain an adequate knowledge of the Cruizin Concepts Performance product line to be able to properly sell, and service the needs of their customers. Cruizin Concepts Performance will provide assistance and advice so the JB can meet this requirement. It is the responsibility of the JB to handle their own technical issues with customers, and not to direct them to Cruizin Concepts Performance. We will always do all we can to assist you directly, but will not be able to keep up with the public demand if we have to service all of our JB's customers directly.

***Your cooperation on this matter is greatly appreciated!***

### **Shipping Policy:**

Freight costs are billed to the JB with a small handling fee added for packing materials. Depending on size, orders will ship UPS/Fed Ex or truck freight. In stock parts usually ship the next business day, and backorder parts may take up to 4 weeks to ship. Backordered merchandise will be shipped when available, unless instructed otherwise in advance. Special or expedited shipping costs are the sole responsibility of the JB. The JB is responsible for all costs due on all merchandise returned due to refusal or missed shipment.

## Shortages/Damaged Goods:

It is the responsibility of the JB to inspect all goods immediately upon receipt. Any shortages, overages or other problems must be reported to Cruizin Concepts Performance within (5) business days of receipt of shipment. All merchandise is inspected before shipment. Should any product arrive damaged, contact the freight carrier to file a claim. All original shipping cartons, packing materials, and damaged products must be kept for the carrier's inspection.

## Returns/Exchanges:

Returns must be made within (15) days; a Return Merchandise Authorization (RMA) number must accompany all returns and exchanges. Returns must include a copy of the original invoice. Returns or exchanges must be freight prepaid; COD or freight collect returns will be refused. **There are no returns on fiberglass aerodynamic parts.**

Returns or exchanged merchandise must be in undamaged, re-sellable "like new" condition. Damage incurred during freight due to improper packaging is the sole responsibility of the JB. A return of non-defective, unauthorized or refused merchandise is subject to a 10% restock fee.

## Warranty Information:

Cruizin Concepts Performance products carry a warranty against defects in materials and workmanship. Cruizin Concepts Performance's liability under this warranty shall be limited to the prompt correction or replacement of any defective part of the product in question, which Cruizin Concepts Performance determines to be necessary; freight charges are the responsibility of the JB. Products sold by Cruizin Concepts Performance are primarily for high performance, race or show use. Cruizin Concepts Performance shall not be held responsible for direct or indirect consequences from the use of our products. This warranty is to the original purchaser and is not transferable. This warranty is void if proof of purchase is not submitted.

Cruizin Concepts Performance reserves the right to make changes to these terms at anytime. If such changes should occur, you will be notified in writing within 5 business days.
